among all Alabama public colleges and universities. The AGSC continues to serve as a monitoring committee for the articulation program. They oversee and maintain the program on an on-going basis. Finally, the AGSC works to resolve any student appeals related to transfer of coursework as it relates to the articulation program.

General course listing

As part of the Ger	neral Studies Curriculum, students must complete a six-hour sequence in

Career programs

Associate in Applied Science (A.A.S.)

The Associate in Applied Science degree is awarded to students who complete the requirements of a specific career or professional program outlined in this catalog. These programs may contain no fewer than 60 and no more than 76 semester hours. Of the total hours in a program, a representative percentage must be courses chosen to ensure competency in reading, writing, oral communication, computer applications, and fundamental mathematics and to satisfy CVCC core requirements. The remaining hours must be taken in the specific area of concentration and

^{*}As part of the General Studies Curriculum, students must complete a six-h literature or history.

^{**}No more than six hours of history may be taken for Area IV.
