PLANNING TO TRANSFER?

STARS is the state-wide articulation agreement between the two-year colleges and four-year universities.

- **WHAT IS *STARS*?**

STARS stands for Statewide Transfer/Articulation Reporting System. STARS is a web-accessible database system which provides guidance and direction for prospective transfer students in the State of Alabama. The STARS System allows public two-year students in Alabama to obtain a Transfer Guide/Agreement for the major of their choice. This guide/agreement, if used correctly, guides the student through their first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year university in Alabama.

- **HOW AND WHEN DO YOU CHECK *STARS*?**

Go to the Chattahoochee Valley Community College home page at www.cv.edu and click on the logo as shown above. Check STARS as often as you like, as often as you change your major, as often as you change your mind as to where you wish to transfer.

- **WHY SHOULD YOU CHECK OUT *STARS*?**

You can print a copy of the contract between you and the senior university that is a guarantee of credit acceptance.

- **WHO SHOULD CHECK OUT *STARS*?**

Anyone who plans to transfer to a senior university in the State of Alabama.

- **WHAT ABOUT WHEN YOU GET TO YOUR SENIOR UNIVERSITY?**

Check with your STARS advisors there. Every senior university has a STARS advisor. If you can't find that advisor's name, come back to the CVCC website and work through our STARS program again.

The Alabama Articulation and General Studies Committee (AGSC) appreciates your interest in attending public institutions of higher education in the State of Alabama. The AGSC was created in an effort to improve and monitor the transfer of coursework between public institutions in the state. If you are considering a transfer, use the attached guide when making course decisions. Failure to follow the requirements on the attached guide may result in loss of course credit upon transfer.

This agreement guarantees the transferability of the course work listed on the attached guide among institutions of higher education. The same policies must be applied to transfer students as those applied to native students. This guarantee is subject to the following recommendations and restrictions:

1. The attached guide will be honored by all other Alabama public institutions of higher education that offer a program in the specified discipline for a period of four years from the date of printing by the student as recorded on the guide. The students will be graduated under the catalog in effect on this date at the institution to which he or she is transferring unless the student is given and accepts the opportunity to be placed under a more recent catalog or unless a change in the program is mandated by requirements of an external accrediting agency or other regulatory agency, including, but not limited to, the State Department of Education, ACHE, SACS, NCATE, or CLN. In the case of any changes resulting from new requirements of an external accrediting agency and/or other regulatory agency, the transfer student will be affected in the same manner as students native to the university. The students should keep a copy of this guide for verification purposes.
