

## **Athletics Department Advisory Committee**

---

This committee is responsible for 1) annually reviewing all athletic programs, to include monitoring of specified criteria to maintain academic and athletic eligibility for athletes, and 2) reviewing and updating the goals and objectives of the Department of Athletics. The reviews will encompass student outcomes, recruiting, publicity, facilities, academic performance, budget, and logistics. In addition, this committee assists with the design, development, and implementation of intramural athletics.
