

Mission Statement

The College’s mission statement is reviewed annually. The Institutional Effectiveness Committee and Cabinet are responsible for the review. If changes are needed, the College follows the process outlined by Department of Post-Secondary Education (DPE) and State Board of Education (SBE) for approval of recommended changes.

Review of the College Mission Statement:

The mission statement was last reviewed and approved by the College March, 2012. The mission statement was forwarded to the Department of Post-Secondary Education for approval and submitted to the State Board of Education with final approval granted May 24, 2012 (Exhibit 3).

Action Taken	Timeline
The College mission statement is forwarded to the Cabinet for review	Feb/Mar
