**Save the Date: 17 January 2012!**

Those members of the Columbus, GA Meta-Leadership Community are the first to hear of the confirmation that LTC (Ret) Dave Grossman will be coming to the Columbus/Phenix City area on 17 January. LTC Grossman will be delivering his "Bulletproof Mind" training, focused on preparing oneself, whether military, law enforcement, or the private citizen, to defend oneself in a deadly force encounter. This will be full day of training.

**"It is every bit as important to spend time and money getting training for the *mental* aspects of defending oneself in a deadly force encounter as it is to spend time and money on preparing for the physical aspects"**(i.e. obtaining the right equipment and learning how to use it). - LTC Grossman

More details to come soon.
