MORE ABOUT HEALTHCARE JOBS

The number of healthcare jobs available in California is only going to grow in the coming years — and there are a lot more options than doctors and nurses.

Other jobs in healthcare offer great pay, opportunities for advancement and require only a few months or years of training. They can also be stepping stones to better-paying healthcare jobs in the future.

Whether you are just starting out or you already know what you are looking for, *Health Jobs Start Here* will set you on your way toward a good job in healthcare. [More +](#)
