Pirate Mail Support

Signing In:

To sign in to **Pirate Mail** for the first time, your **username** will be your first initial, last name and last four digits of the student id.
For example, John Doe (123456) would be: jdoe3456@piratemail.cv.edu

When you log in for the first time, your **password** will be your student id.
In our example, John Doe's password would be 123456.

**** Please change your password often to protect your information ****

Useful Tutorials:

- [Setting up Pirate Mail on Android.](#)
- [Setting up Pirate Mail on iPhone/iPad.](#)
- [Setting up Pirate Mail on Other Phones.](#)

Chattahoochee Valley Community College | GO PIRATES! 2602 College Drive, Phenix City AL 36869 | 334-291-4900

11:59 AM 2/12/2013

First Time Pirate Web User

Pirate Web allows students to check grades, pay charges, receive unofficial transcripts, register for class and more! You can access your information or register for classes 24/7 by using the system.

Just see your advisor to have your PIN activated. Once your pin has been activated, **log on** using the following information:

User ID = Entire social security number or student ID number (without any punctuation) (example: 123456789)

Pin = By default is set to your date of birth with a two digit year. (example: a January 1, 2012 birthdate would be 010112)
