CVCC Students,

Welcome back to campus! I hope your first day of classes has gone well.

We have made a few changes to campus policy while you were away over the holiday break of which we need to make you aware. These relate to student conduct and to the grievance policy for student complaints. The two documents that are attached to this e-mail replace the information that is currently found in the 2012-2013 CVCC College Catalog and Student Handbook on pages 234 – 246. Please review these documents. They will also be posted on the college website for your review.

If you have any questions or concerns about these documents, please do not hesitate to contact me.

Thanks!
Dr. Hamm
